The C&C Basketball Academy understands basketball players are made in the off-season. The CCBA Camp will provide high quality fundamental instruction helping players of all ages to reach their potential. The CCBA camp staff, which includes current CIS players and coaches, will instruct in a positive, safe and competitive environment. Our daily schedule will include, individual and team skill sessions, daily competitions, individual break down drills and team games. Each day we will instruct, challenge and create a fun and exciting atmosphere for players to grow their game.
